BIM Land

With more than 5.6 million square meters of land in Quang Ninh, Phu Quoc, Hanoi, Ninh Thuan, Laos as well as continued expansion to potential cities and tourism destinations in Vietnam and the region, BIM Land has been carefully planning and developing land into urban centers and tourist complexes with international standards. BIM Land offers a wide variety of real estate projects centered on relaxation, residential and entertainment, in accordance with the market development needs and the characteristics of each destination.

BIM Land stands out in Vietnam and the region for its strict and professional adherence to the international standards for resort development. With its reputation and experience in developing high-end resort complexes in Vietnam and Laos, BIM Land has partnered with some of the world's leading hotel management groups such as Hyatt, InterContinental Hotels Group, Sailing Club, Fraser Suites, The Ascott, Centara and H&K Hospitality.

With its 25-year journey as part of BIM Group, BIM Land is proud to be a leading real estate company in Vietnam. BIM Land is renowned for creating pioneering products of international quality which in turn elevates the country's tourism sector and brings value to the local community.

VISION

To develop a sustainable future for Vietnam through innovation and investment in the areas of Real Estate Development

MISSION

Through employing knowledge and innovation, we continue to create sustainable high quality products and services based on international standards to improve the livelihood of the Vietnamese people and communities that our businesses touch.

CORE VALUES

INNOVATION – RELIABILITY - INTEGRITY - COMMITMENT

"Where knowledge becomes value" remains as BIM Land's core spirit now as it has been for the last 25 years.

• • •

With the foundations of Knowledge and Wisdom, we have overcome many challenges to achieve great successes today.

With an area of over 70,000 square meters, Halong Marine Plaza includes a children's modern entertainment zone, CGV cinemas, traditional villages, restaurants, shopping malls, and more. Halong Marine Plaza is a must-visit destination for

Harbor Bay

Managed and Operated by BIM Land

Downloaded at 2026-11-27 07:15

Harbor Bay spreads over 13.7 ha and includes 375 five-floor, elegantly-designed houses. Each block of housing, separated into eight different colors, is placed in a curved bow formation, resulting in a signature architectural point. The grounds are shaded from trees along the road and surrounded by coastal roads leading to the nearby boat port. Closed enough to be a quiet resting place, but open and dynamic enough for business operations, Harbor Bay symbolizes a busy neighborhood by the Bay.
